VG Life Sciences, Inc. Announces Management Changes Santa Barbara, CA July 18, 2013 Santa Barbara, Calif., July 18, 2013 — VG Life Sciences, (OTC Pink: [VGLS](#)) a biotechnology company, announces alterations in its corporate management and management structure.

Interim CEO & President

John Tynan has been named Interim CEO & President of VG Life Sciences, inc, effective immediately. Mr. Tynan started TynanGroup, Inc. in 1991 and grew it to successful company as a leader in real estate development services across the country, overseeing more than \$4 billion of construction. TynanGroup was on INC Magazine's list of the fastest growing companies and today includes a host of sister companies including MedBridge Development Company, LLC and Anchor Point IT Solutions. Prior to starting TynanGroup, he was Vice President for Hyatt Development Corporation where he oversaw \$1.5 Billion project expenditures and over 9,000 people. Mr. Tynan has a BS in Civil Engineering from the University of Illinois and a MBA in finance from DePaul University. "My focus is on achieving specific goals to increase shareholders' value and support our exceptional research team," said Tynan. Haig Keledjian will stay on as Chairman of the Board and VP of Intellectual Property and Product Development.

For more information on the goals and direction of the company as well as the new management structure of VG Life Sciences, please see the July 18th, 2013 investor letter, which can be downloaded from the company site and viewed [here](#).
